## National Donut Day

Was Friday June 3<sup>rd</sup>. We made biscuit donuts in the fryer and topped them with melted chocolate, cinnamon and sugar, sugar or powdered sugar. We had several residents in attendance for this activity, as well as a few staff members! (Some were waiting for donuts others were doubting that I could make donuts out of biscuits so they were waiting to try the finished product!) Everyone left with full, happy tummies!

## Pastors and schedule

Unfortunately we said goodbye to Pastor Shurmaine McAlpine last month. However, we were able to add a new Pastor to our group, Pastor Mary O'Riley. Mary will be filling in the spot on the first Monday of the month. Pastor Tim Maxa will stay on the second Monday, Pastor Terry Roberts on the 3<sup>rd</sup> and Pastor Scott Marcum on the 4<sup>th</sup> as well as bible study every Monday at 2pm.

We are hoping that once the new Pastor for the Clearfield Methodist Church gets settled in, we can add them to our Pastorial rotation.

We are so blessed to have so many loving and caring Pastors who are willing to devote their time to our residents' and their spiritual needs.

## Walk Abouts

June 21<sup>st</sup> we were finally able to have our first walk abouts. Incoming weather and dangerous heat indexes caused us to reschedule twice. Thankfully the new date allowed for some extra volunteers! Tori Parrish, Betty Brammer, Kim Brown, Jeani Swartwood and I all took residents around town in two shifts.

Evy Stevenson was able to see her old house and wave to Verla Monk as we walked around. Robin Campbell was able to see parts of the town she hadn't seen in a year or so and we stopped by to say to her sister Roxanne Warner.

Everyone had a great time!

# State Studies

The old proverb is true, You do not stop learning because you grow old, you grow old because you stop learning. In keeping with this, we have started learning fun facts about a different state each Friday. We started with the first state Delaware, which became a State in December of 1787. Followed by Pennsylvania, New Jersey and Georgia. Each week we learn about fun facts and different laws that are still on the books despite being obvious or outdated!

Rehoboth Beach Delaware, One may not whisper in church.

Pennsylvania: A person is not eligible to become Governor if he/she has participated in a duel.

New Jersey: It is against the law for a man to knit during the fishing season.

Georgia: No one may carry an ice cream cone in their back pocket if it is Sunday.

I hope this keeps you young for a day!
