Hynek Family Comes to Clearview Home

A Big Family with a Love of Music

The Hynek family volunteers a few times a year to share their talent, love and passion for music with all of us. What makes them so special is every member of their family from the youngest to the oldest plays apart in their performance. The love they exude while singing and performing can be felt clear in the back row. Thank you Hynek Family for letting us be apart of it!

LOVE IS IN THE AIR WHILE A PEARL IS IN THE OYSTER

With the rush of the holidays and the New Year, the month of February was welcomed in at a slower pace. This month residents enjoyed each others company while partaking in their preferred activities. Weekly Bingo and religious services, handcare, games and cards were attended. The highlights of the month were the Hynek Family, Valentine's Day Party and Digging for Pearls.

Pictured left, residents gathered to treat their sweet tooth with chocolates, donuts, cookies, brownies and so much more! Pictured right, residents picked an oyster, dug for the pearl and chose a beautiful necklace to put it in. Who knew digging for pearls could be so fun and

rewarding? So many colors of pearls no two were the same.

Residents couldn't wait to show off their new jewelry! February may not have had the hustle and bustle of the holidays but it flew by.

Residents are eager for spring and being able to spend time outdoors listening to the birds sing, watching the squirrels play and the flowers bloom.
